

Village of Key Biscayne 2009 Single-Family Residential Solid Waste & Recycling Update and Bulk Pickup Schedule Effective January 1, 2009

REGULAR GARBAGE will be collected twice each week from your **backyard or side-yard**, depending upon where you keep your cans. If you prefer, you may also leave your garbage outside of the fence or gate on collection days. Do not bring it out to the curb. All regular garbage should be placed in cans not to exceed 50 lbs. so that the garbage can be safely and efficiently removed from your property. If plastic bags are used, they should be securely closed and tied. Garbage should not be heavier than the bags can effectively contain. (Do NOT use the special recycling program bags for garbage--they are for proper recyclable items ONLY). Be sure garbage is accessible on all service days. Gates should be unlocked and pets should be confined away.

YARD TRASH will be collected with the garbage once each week on the second day of your regular garbage pickup, provided that the **yard trash is placed next to the garbage in appropriate containers, bags, or bundles (max. of 6 items)**, less than fifty (50) pounds each with no dimension over four (4) feet each, and with limbs or branches not exceeding four (4) inches in diameter. Yard trash does NOT include any debris resulting from tree removal, land clearing, land development, building demolition, or home improvement.

Regular Garbage and Yard Trash Schedule:
Tuesday & Friday: North of West McIntyre Street. Bagged and/or properly bundled yard trash is on Friday.

Monday & Thursday: South of West McIntyre Street. Bagged and/or properly bundled yard trash is on Thursday.

Residential Recycling Schedule

RECYCLING PICK-UP FOR ALL HOMES IS EVERY THURSDAY. Be sure to use the special bags for acceptable recyclable items. Residents may reorder recycling bags when needed via email at kbrecyclingbags@wm.com.

RECYCLING will be collected curbside every Thursday, utilizing clear plastic recycling bags ONLY. These acceptable items can all be placed in the same bag: Empty, clean and dry steel and aluminum cans, plastic bottles (narrow necked, w/ #1-7 on container bottom), glass bottles and jars, aluminum foil and pie pans, paper cartons, cereal boxes, newspapers, magazines, office paper, junk mail, phone books, cut and/or folded cardboard. NOT acceptable: light bulbs, china, glassware, food trays, plastic wrap, Styrofoam, batteries, or other items.

BULK TRASH will be collected curbside on a monthly basis. This includes any household furniture, household trash, white goods, and/or yard trash that cannot be cut for placement into a container, bag or bundle due to the materials exceeding the weight and size restrictions for regular trash collection. Items must not exceed six (6) feet in length and must be placed away from trees and other items that will block access by the bulk pickup crane.

Bulk Trash Schedule:

Bulk waste will be collected during the third week of each month on specific days (Please refer to the color-coded map on the reverse side of this document). **Discard maps and schedules dated before January 1, 2009.**

2009 Bulk Pick-Up Dates

(See color-coded map on reverse side of this document for your **SPECIFIC SERVICE DAY** in each of the following weeks. Be sure to discard all previous maps and schedules effective January 1, 2009.)

Jan. 12-16	Jul. 13-17
Feb. 16-20	Aug. 10-14
Mar. 16-20	Sep. 14-18
Apr. 13-17	Oct. 12-16
May 11-15	Nov. 16-20
Jun. 15-19	Dec. 14-18

Bulk waste must be put out 24 hours before your scheduled pickup date. Improper placement (more than 24 hrs before your scheduled pickup date) is a violation of Miami-Dade Code, Section 19-4 (c), and will result in the assessment of fines to the homeowner.

Questions? Please call our Customer

Service Center at (305) 471-4444 Mon.-Fri. 7:00 am-5:00 pm and Sat. 8:00 am-12 noon for assistance from our specially trained Key Biscayne Residential Customer Service Representatives. If you should require any special pickups above and beyond those provided each month, contact Customer Service for rates and scheduling.
